### Academic Positions

2019–2025 **University of Connecticut**, *Graduate Student*.

### Education

2019–2025 **Ph.D. Mathematics**, *University of Connecticut*, Storrs, CT.

- **Advisors:** David Reed Solomon and Damir D. Dzhamfarov
- **Dissertation:** Computable Categoricity, and Topology in Reverse Mathematics

2015–2019 **B.A. Mathematics with Logic Minor**, *University of California, Berkeley*, Berkeley, CA.

### Research Interests

**Branches of computability theory, such as computable structure theory, algorithmic randomness, and reverse mathematics.**

### Publications

**The Ginsburg–Sands theorem and computability theory**, *Benham, H. et al*, *Advances in Mathematics*, vol. 444, article no. 109618, 2024.

### Preprints

- 2024 **Computable categoricity relative to a c.e. degree**, *Villano, J.D.*, submitted.  
2023 **Normality, relativization, and randomness**, *Calvert, W. et al*, submitted.

### Teaching Experience

2023–2024 **Course Instructor for Math 1071Q (Calculus for Business and Economics)**, *University of Connecticut*, Storrs, CT.

2019–2022 **Teacher Assistant**, *University of Connecticut*, Storrs, CT.

- **Fall 2022:** Math 1132Q (Calculus II)
- **Spring 2022:** Math 1132Q (Calculus II)
- **Fall 2021:** Math 1131Q (Calculus I)
- **Spring 2021:** Math 1132Q (Calculus II)
- **Fall 2020:** Math 1132Q (Calculus II)
- **Spring 2020:** Math 1132Q (Calculus II)
- **Fall 2019:** Math 1131Q (Calculus II)

---

## Conferences Invited To

- Summer 2024 **Computable Structure Theory and Interactions**, Technische Universität Wien, Vienna, Austria.  
*Upcoming – Presentation title:* Computable categoricity relative to a degree
- Spring 2024 **The New England Recursion and Definability Seminar**, Dartmouth College, Hanover, NH.  
*Canceled – Presentation title:* Computable categoricity relative to a c.e. degree
- Spring 2024 **Joint Mathematics Meeting, AMS Special Session on Computable Mathematics: A Special Session Dedicated to Martin D. Davis**, San Francisco, CA.  
*Presentation title:* Computable categoricity relative to a c.e. degree  
I received support from the AMS (American Mathematical Society) to attend.
- Spring 2023 **A Convergence of Computable Structure Theory, Analysis, and Randomness, BIRS 5-Day Workshop**, Banff International Research Station, Banff, Alberta, Canada.  
I received support from BIRS (Banff International Research Station) to attend.
- Spring 2022 **AMS New England Graduate Student Conference**, Brown University, Providence, RI.  
*Presentation title:* Priority arguments

---

## Conferences Attended

- Spring 2024 **CBMS Conference – Algorithmic Fractal Dimensions**, Drake University, Des Moines, IA.  
*Upcoming.*
- Spring 2024 **ASL North American Annual Meeting**, Iowa State University, Ames, IA.  
*Presentation title:* Computable categoricity relative to a c.e. degree
- Spring 2024 **AMS New England Graduate Student Conference**, Brown University, Providence, RI.  
*Presentation titles:* Topology in the Reverse Math Zoo; Computable categoricity relative to a c.e. degree
- Spring 2024 **17th International Conference on Computability, Complexity, and Randomness**, Nagoya University, Nagoya, Japan.  
*Presentation title:* Computable categoricity relative to a c.e. degree  
I received support from the organizers to attend.
- Spring 2023 **Computability and Combinatorics Summer School and Conference**, UConn Hartford, Hartford, CT.
- Spring 2023 **ASL Winter Meeting at the Joint Mathematics Meeting**, Boston, MA.  
I received support from the ASL (Association of Symbolic Logic) to attend.
- Summer 2022 **IMS Graduate Summer School in Logic**, National University of Singapore, Singapore.  
I received support from the National University of Singapore to attend.

## Seminar Presentations

- Spring 2024 **The Ginsburg–Sands theorem and computability theory**, *SIGMA Seminar*, University of Connecticut, Storrs, CT.
- Spring 2024 **Normality and Randomness**, *SIGMA Seminar*, University of Connecticut, Storrs, CT.
- Fall 2023 **Randomness and Hausdorff dimension**, *SIGMA Seminar*, University of Connecticut, Storrs, CT.
- Fall 2023 **Computable categoricity relative to a c.e. degree**, *Connecticut Logic Seminar*, University of Connecticut, Storrs, CT.
- Fall 2022 **When does the existence of an isomorphism imply the existence of a computable isomorphism?**, *SIGMA Seminar*, University of Connecticut, Storrs, CT.

## Grants and Funding

- Summer 2024 **Summer Doctoral Dissertation Fellowship**, \$2,000 USD.
- Spring 2024 **Predoctoral Fellowship**, \$7,805 USD.

## Outreach

- 2022-2024 **President of the UConn Chapter of the Association of Women in Mathematics**, *University of Connecticut*, Storrs, CT.
- Fall 2022 **Speaker at the Mathematics Continued Conference**, *University of Connecticut*, Storrs, CT.  
The Mathematics Continued Conference seeks to give undergraduate students interested in math an opportunity to learn about graduate school and current research done by graduate students and faculty.
- Summer 2020 **Course Tutor for SSS Math Program**, *University of Connecticut*, Storrs, CT.  
Student Support Services (SSS) is a federally funded program at UConn which serves incoming students who are first-generation to college and/or come from communities underserved in higher education.

## Languages

- |         |  |   |
|---------|--|---|
| English | Advanced proficiency in reading, writing, and speaking     | <i>Second language learned, learned in 2003</i> |
| Tagalog | Intermediate proficiency in reading, writing, and speaking | <i>Native language</i>                          |
